### Description

But what adexterity, ... imagine the number of hours it took to create the openwork frieze of a complex algorithm; made of paper like that of paperolles. Object of devotion. the artist has prayed so much to be helped by an angel who undoubtedly helped him to create these armachristis . The cross itself is made of 14 floors,figuring an extraordinary pyramid. Amazing, that's the word I was looking for. This painting of religious art, witness to the piety of its author is in perfect condition. Protected in its original glass frame.
