Description

Pair of armchairs by the French designer Pierre GUARICHE, 1926 - 1995. This creator knew how to bring a functionalist dimension to the furniture without ever forgetting the aesthetic line. These armchairs are mounted on four spindle legs in beech whose base is clad in brass. They are covered with a velvety fabric in three bright colours. These two seats are in very good condition, they are very comfortable and their pure and warm line inspires relaxation.
