Description

Ball ring from the 70s in 14 KT yellow gold (scallop hallmark), openworked and worked like a sculpture....each part of the ring is unique and offers a different point of view...the diamonds, set closed, are of very good quality, of beautiful dimensions, also diverse. Although unsigned, this ring evokes the work of an artist. This beautiful volume ring has been designed in a very ergonomic way which makes it pleasant and easy to wear. It is also perfectly adapted to the finger by adding a spring inside the ring (which can be removed on request by our workshop). Total weight of the diamonds estimated for approximately 1.00 ct Gross weight: 13.98 g Ring size: approximately 54 - possible sizing to be studied by our workshop (current diameter 1.55 cm - variable with the spring / US size 7)
