### Description

Two "toad" armchairs in solid walnut covered with padded upholstery in perfect condition. These seats have a semi-circular backrest extended by wide armrests and a comfortable seat made up in the old fashioned way with spring straps and animal hair. A water green velvet fabric has lighter threads with a striped finish and covers the front, back and seat of these refined seats. These armchairs have a walnut base with two curved and grooved front legs. A slightly rounded front crosspiece also with a groove connects these two legs. In the rear part, two reversed straight legs complete these seats. Ideal in your living room or bedroom, these two Napoleon III armchairs, synonymous with relaxation and comfort, will give your decoration a timeless charm.
