Description

René-Georges Gautier (1887-1969),
"Villefranche sur mer", oil on panel mounted on a
frame 65 X 50 cm, mounted by spinners in a
rough stripped wooden frame 84 X 70 cm. While
the city is already immersed in the shadow of the
mountains, the sun illuminates the port at the foot
of the cliffs, bringing out the blue of the
Mediterranean. The Artist, in addition to his
activity as an illustrator, was a regular exhibitor at
the Salons where he was repeatedly rewarded,
producing portraits and military scenes as well as
landscapes, often in an Art-Deco vein which
earned him a record at Christie's. Do not hesitate
to ask us for photos or additional information by
email or telephone. Other photos and many other
