### Description

Antique fine Porcelain (bone china) XIXth century, 1880.

Victorian style.

Small coffee cup and its saucer hand painted and gilded in relief.

On the bottom of the saucer a mark in red :

"Londe". Londe was a decorator in Limoges in 1880. The mark is referenced in Limoges catalogues and corresponds to a precise date of fabrication.

Very thin china porcelain, transparent in the light.

Very sensitive and elegant piece, authenticity guaranteed.

Good condition, (see photos) a very tiny chip on the rim which the porcelain maker covered with gold, considering it as insignificant.
