Description

Elegant set of 5 Solid Walnut Chairs, Louis XV style. Their openwork backrest, in the shape of a basket handle at the top, consists of several wooden elements with scroll-shaped grooves, with an ovalized part in its center. These chairs have a comfortable and solid cane seat with a walnut frame, squared from below. Note the screw fixings, making it easy to redo the seat in the future, if necessary. They have a quality base, connected by wide crosspieces, consisting of a slightly curved front ending in a crowbar: a grooved molding harmonizes the feet and the front crosspiece, finely bulbous and cut. The rear legs have a saber shape, and offer continuity with the backrest. With harmonious curves, this suite of Chairs will mark your decoration with the warm shades of Walnut, while allowing you to sit
