Description

Charming portrait of a little girl in a blue dress and pink bonnet, seated under a tree in a landscape, holding two flowers in her hand, from the second half of the 18th century. She looks tall, dressed with refinement in a blue silk dress with a wide neckline and sleeves richly decorated with lace, just like her bonnet decorated with a wide pink ribbon that ends in a delicate bow under the neck. A beautiful, deliciously rosy complexion animates her round little girl's face. The pastel drawing is canvas backed. Dimensions: 55.8 cm x 46 cm Good condition. In the state of discovery. Stains and tiny little holes, nails on the edges that stand out... Many other objects to discover in my stand at the antique fairs in which I take part.
