Antique Bow - Papua New Guinea, Oceania

750 EUR

Period : 19th century
Condition : Bon état : deux épointements d'usage aux extrémités
Width : 3,5 cm
Height : 174 cm

Description

Bow (enji) in palm wood, engraved with stylized decorations characteristic of the style of northern Papua New Guinea.
The object is carved, on its upper part, with four large faces with marked eyes, enhanced with natural pigments.
There remains, in the same place, a decor and a rattan doll.
