

Pair Of Charles X Armchairs

1 200 EUR

Period : 19th century
Condition : Bon état
Material : Mahogany
Width : 60
Height : 91

Description

Pair of Charles X period armchairs in mahogany and inlaid with light wood. Huge marquetry work on the entire front as well as inside the uprights. They are in good condition except for a rear foot restored a long time ago. It deserves camouflage with veneer because the restoration was very well done but the graft is visible. The seat is good, it is enough just to change the fabric which is faded. Beautiful and rare model. Delivery possible.
