Description

Beautiful office chair, also called Louis XV period cabinet chair.

** 18th century **

In molded and carved wood, walnut I think, cane bottom, the cover restored with modern fabric.

The caning in very good condition (double).

Note the consolidation of the two encasements of the side feet, in a very professional way by means of two two eventual reinforcements following the shape of the belt; also note small imperfections and other signs of use but not very noticeable.

We would like to point out that the structure is completely intact with no play or detachment and that the solidity of this chair is very good.
