Description

Coming from the Breton estate of a Parisian singer, I offer you this beautiful set of bedroom furniture, including a bed with a solid sycamore structure and veneer trimmed with padded satin and its sycamore and satin fireside chair, also padded. The style is original and of high quality. I have not found a signature or stamp, but this beautiful work is in the spirit of the production of Suzanne Guiguichon or Jules Leleu. These pieces of furniture are in good used condition but they show dirt and wear, as on the shelves, as visible in the photos. This bed is designed for standard 140×190 bedding. Dimensions: - the headboard measures 256.5 cm long x 110 cm high. - the footboard measures 64.5 cm high - the back of the fireside chair measures 69 cm high. delivery to be defined by carrier, free storage until you can
