Description

Pair of coffee tables, side tables "Maison Charles" in gilded bronze and glass. The upper top in transparent glass with a few micro scratches from time, framed by a black border, is fixed to the four legs in the shape of a horse's head in gilded bronze by round bronze screws. The four legs rest on cedar burl cubes and end in flattened wooden balls. They are connected to each other by crosspieces with double uprights in gilded bronze which frame a smoked glass on the lower shelf.
