Description

A. Hoferland: "The Island of Reichenau on Lake Constance", gouache watercolor 27.5 X 39.5 cm, mounted on a titled support in a gilded frame 45 X 57 cm, signed and dated 1917. I do not know who is the Artist, but he was able to beautifully render the effect of light through the clouds... Do not hesitate to ask us by email or telephone for additional information or photos. We have many objects and paintings to restore in our shop/capernaum/depot in Pau where I let myself be a little overwhelmed and for which we prefer to sell on site, preferably in batches. Come and help us tidy up by buying! Other photos and many other objects in our shops in Pau and Biarritz and on our website: galerielhoste.com.
