

Attic Exit Models, 3 Amusing Velocipedes

110 EUR

Signature : Art Populaire

Period : 20th century

Condition : Sortis de grenier

Length : 12 à 20cm

Description

Nice wooden and iron velocipede models, neat, puzzles made a generation or two ago.

The attic had to have infiltrations, the metal parts suffered a little, the cardboard boxes are faded.

But models of balance bikes, bi or tricycles are rare now.

Dimensions: 12 to 20cm.

1960s, nice work, very decorative.

This object is for immediate purchase, payable by credit card or paypal.
