Description

Marine watercolor painting, by Emile Lhernault, painter of landscapes and genre scenes from Brussels, active in Uccle. Beautiful constitution, good proportions, painting locating a scene of loading and unloading at the quay of the Albert canal in Brussels, here a docker and two harnessed draft horses, near to the tow. Well framed painting (gilded stucco frame), watercolor protected under glass. Signed lower left and annotation by the hand of the artist on the back "Quai à Bruxelles". In good condition.
