Description

For pierced ears.Antique dangling earrings, each formed of an oval-shaped motif set with antique cushion-cut diamonds and centered with a fine light gray oriental baroque pearl. The attachment system is a gooseneck.Period: 19th centuryMain material: pink gold, 750 thousandths, 18 carats and silver.Fine pearls certified by the French Gemological Laboratory.Total diamond weight: approximately 1.60 carats.Proportions: Height: 17.8 mm, width: 14.5 mm, thickness: 9.3 mm.Net weight: about 9.6g.Antique fine pearl earrings - French work from the 19th century.Our opinion: Sublime, each fine pearl is unique and has a magnificent luster. Very rare of this size and shape, they are particularly well highlighted by the old diamonds that surround them. The mounting in pendant earrings is sober and very

elegant.The story of this jewel: These old dangling earrings are the result of a probable reassembly after the 19th century. The patterns are much older and most likely come from an adornment dismantled during a family succession.To find out moreDiscover the product details of these Fine Pearls And Diamonds Earrings online.Find all our old jewelry on our Baume Jewelry store
