

Stamp In Ivory And Silver Nineteenth

280 EUR

Period : 19th century

Condition : Manque voir photos

Height : 8,2 cm

Description

Very nice ivory stamp probably from Dieppe.
Very finely carved, interlacing snakes rising along a thorny trunk and meeting under acanthus leaves. The stamp is in silver, there is a lack at the level of the snake's tail. The silver part tends to turn. Very nice display item
