Antique Coral Gold Cameos Earrings

1 000 EUR

Period : 20th century

Condition : Parfait état

Description

Here we present a pair of antique coral Angel-skin cameos representing a Roman head soldier with a decorated helmet with a crest. The bearded proud face is looking straight ahead. The hand-carving on the coral is very detailed realizing a little masterpiece. All around a little double twisted 14K gold thread is supporting the cameos. The top is decorated with a filigree motif. 14K Gold (touchstone tested). Probably from Rome. Beginning of 20th century. They are in perfect conditions.
