Description

Louis XV chest of drawers curved on the front and on the sides, 18th century. The woods used for the marquetry are rosewood, rosewood and satin for the sides. Satin is a precious wood used for high quality furniture by 18th century cabinetmakers. This chest of drawers with its original marble top opens with two drawers at the top and a large drawer at the bottom. Beautiful gilt bronze ornamentation. DIMENSIONS: 1.17m x 0.56m and 0.87m high. Delivery on estimate.
