

Pair Of églomisé Glass Lamps

580 EUR

Period : 20th century

Condition : Parfait état

Diameter : 25

Height : 62cm/50cm sans abat-jour

Description

Pair of lamps in the shape of candlesticks in églomisé glass (a thin layer of silver leaf is fixed inside creating the same effect as a mirror). The electrification is functional to the standards of the day. The lampshades are cylindrical in color gray with silver sequins.
