Description

Very nice pair of cardboard artist palettes, covered with paper, hand painted. Each has a different decor with a similar theme, branches of plants and their berries. Beautiful finesse of details, two pretty bees, pleasantly adorn one of them. Signature in pencil under each decoration, I read "MR Manificier" but difficult to be exact. Label on the back of "Dupré, Faubourg Saint Honoré 141", pasted on a background of blue gray paper.

Good general condition, one of them (the one with the bees) has stains and small scratches on the paper, please look at my detailed photos! French work dating from the end of the 19th century, Circa 1890-1900.
