Description

Charming little Art Nouveau style screen with a molded and grooved solid walnut frame. Each of the four leaves has a small rectangular flat panel at the bottom. These four elements are articulated on original brass overhang hinges. The interiors are dressed in painted silk illustrating birds taking place in different landscapes. In each scene, we find parakeets, swans and tits, surrounded by flowers. The pastel tones of this unique little screen go perfectly with the gentle landscapes. His bucolic scenes are refined and undeniably poetic. ******** Period: 1900 Wooden frame in excellent condition after restoration in our workshop. Waxed finish. Silk painted in used condition. Shipping possible by Colissimo with careful packaging and appropriate protection. Dimensions: Height: 101 cm - Width: 123 cm -
