

## Set Of Knives With Mother Of Pearl Handles Napoleon III Period

1 200 EUR

Period : 19th century

Condition : Restauré

Length : 24,3 cm (couteaux de table) 19,5 cm (couteaux à fromage et couteaux à fruits)

### Description

Beautiful set of knives with mother-of-pearl handle and silver ferrules from the Second Empire period. This set includes: -18 table knives (1 damaged and 4 glued) -18 cheese knives (1 damaged) -17 fruit knives (silver blades with neck brace) The original blades with rounded tips (Richelieu) are in steel and have been chromed. All of these 53 knives are presented in their original case, which has also been carefully restored. The steel blades bear the dealer's mark "Mouniot à Nantes" The silver blades bear the hallmark of Charles Lavallée, cutlery specialist installed at 19 bd de Strasbourg in Paris and whose hallmark was inscribed on March 22, 1861.
