Description

The card players, beautiful bronze from the 19th century representing two seated players engaged in a game of cards.

an unusual and funny subject, take a good look at the details, the faces, the clothes.

an unusual subject, no doubt a Flemish bronze, to be compared with Flemish canvases dealing with the same subject over the centuries.

very good general condition, a nice collectible bronze. dimensions: 20 cm long by 10 cm deep and 16 cm high.
