

Louis XIV Style Silver Hot Water Bottle Lamp

280 EUR

Period : 19th century

Condition : Très bon état

Material : Silver metal

Diameter : abat-jour 30/25cm

Height : 60cm

Description

Bouillotte lamp in silver metal, Louis XIV style. The double candlesticks are adjustable in height, they slide along the foot thanks to a pinch mechanism, the same for the dark green and white shade inside. Two hooks on the candlestick and the lampshade allowing a grip or to hang them. The lampshade is conical and oval. Base diameter 12 cm
