Depth : 80 cm. de chaque côté et 60 cm. au milieu.

Description

I offer you this elegant sofa, named "Caseuse". It is a pure invention of the Napoleon II era, although it could be linked to the basket sofa invented in the 18th century (we find the same concave aspect on both!). It comes from the residence of an eminent deputy of the third republic! We can mention that it was covered about twenty years ago. The filling is therefore in its fullness (i.e. flexible without sinking).
