

Pot Pourri Luneville Eighteenth Time

1 780 EUR

Signature : Lunéville

Period : 18th century

Condition : Bon état

Width : 16

Height : 20

Description

Rare pot pourri in fine Lunéville earthenware from the 18th century. Round-shaped shower foot surmounted by the body and potpourri reserve, large flowers in relief serving as a grip, just below foliage and branches in relief. Openwork body, lid present and garnished with a large bouquet of flowers. Similar models in the Lunéville museum. Rare and very elegant piece, note some chips on the petals of the flowers in relief (normal)
