

Retro Gold Ear Clips

2 100 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

Each gold earring is a domed half-ring topped with a radiating pattern. The hanging system is clip.

Period: 20th century

Main material: 750 thousandths yellow gold, 18 carats, eagle's head hallmark.

Proportions: Height: about 2.5 cm, width at the widest point: about 17 mm.

Net weight: about 17g.

Authentic old piece of jewelery - French work from the 1960s.

Our opinion: Original gold ear clips from their time. Note that each earring has a stem that has been folded down and could be straightened to transform the earrings for pierced ears.
