Period : 19th century

Condition : Etat d'usage

Description

Very large atypical piece of furniture and full of charm. Made from an old "dog sit" in zinc, this old roof element has been revisited to make it a presentation piece of furniture. The zinc part is nicely worked and in fair condition. Note some gaps and disunited parts (due to the malleability of zinc). This zinc part comes to dress a painted wooden box which was made to measure and contains a shelf. The set rests on a nicely worked painted wooden console. Beautiful set, very decorative.
