Description

Charming regional buffet in blond cherry wood (front and sides), with a shimmering color and veneer assembled like an open book, allowing you to discover the grain and nuances of the wood. This piece of furniture has a front made up of two doors with a miter cut frame with a slight chamfer on the inside. Each is provided with a central panel composed of two deployed elements. The entrances are bone and the lock is in working order. Inside, we discover a shelf. In the upper part, accompanied by brass buttons, two drawers forming a headband are equipped with solid wood elements 12 mm thick in vertical applique, giving the effect of wood and giving refinement to the sideboard. The lower part, for its part, is surrounded by a molding and has two deployed elements. We will appreciate the
