#### Description

Large painting, oil on canvas, "River landscape with figures and animals", Period 19th century  
Year 19th century This large oil painting on canvas, of good pictorial quality, represents a fantastic landscape typical of the interior of the Italy, made of hills and mountains". The large oil painting on canvas, of good pictorial quality, represents a fantastic landscape typical of the Italian hinterland between hills and mountains. The artist takes up modules of the landscapes Venetian and Nordic paintings of the 17th and 18th centuries and translates them into a captivating composition. The skilful use of warm chromatic tones and the large size of the canvas give the work a decorative value. The painting has its original wooden frame, gilded with a Mecca on the front and lacquered on the wall. the part
