650 EUR

Period : 18th century

Condition : Très bon état

Material : Walnut

Width : 34 cm

Height : 85 cm

### Description

Superb and elegant billet-doux fire screen from the 18th century in walnut. It rests on a scalloped base supporting the frame in which there is a fire screen. The latter rises by sliding in a scalloped crosspiece and molded at the top, in order to protect itself from the fire. On the facade is a tablet that can be tilted using compasses and on which you can put a book. quality work in excellent condition.
