Description

Magnificent and rare Le Verre Français-Charder vase, "Draperies" model, in yellow and pink powdered glass, white gradient at the top, lined with purple powdered glass, yellow-green gradient at the bottom. This vase has very beautiful colors that particularly enhance the decor. This series was created in the years 1928-1929. A similar model can be found on page 166 of the book by Marie-Christine Joulin and Gerold Mayer. Very nice collector's item!
