

Pair Of Electrified XIXth Lamps.

1 300 EUR

Period : 19th century

Condition : Parfait état

Height : 59

Description

Pair of old porcelain oil lamps with hand-painted decoration. From the 19th century, these elegant lamps rest on a gilded and chiseled bronze foot. The bronzes have been fully polished and varnished so that there is no more maintenance to be done. Electrification is redone. Golden twisted fabric thread, the lampshades are made to measure in our workshop. In excellent condition, they will fit perfectly into your interior on a chest of drawers, bedside tables or on end tables. Regular delivery in Paris H.59 cm with lampshade.
