### Description

Italian glass jug with base, cap and handle in decorated metal, made in Italy at the beginning of the twentieth century.

The container, in transparent glass, has longitudinal facets on the inside while the external surface is completely smooth.

The metal base rests on four feet and is decorated with two woman's faces on the sides.

Soft intertwining locks of hair decorate the stand all around.

The volute handle connects it to the spout.

The cap is mounted on a pin and can be opened pressing on the heart-shaped decoration that connects them.

Elegance and typical subjects of the Italian Liberty period of the first postwar period.
