Description

Glass service model "Rambouillet" which consists of 4 series of 6 glasses or 24 glasses, namely: - 6 water glasses: 11.7 cm - 6 red wine glasses: 10.7 cm - 6 white wine glasses: 9.7 cm - 6 champagne glasses: 10.7 cm Very beautiful resonance of crystal. The model, probably created by Marc Lalique, is listed in the commercial catalog of the Lalique house of 1955. Each glass is signed below "Lalique france", most of them in stick letters, some in cursive letters on the wheel - and not on the engraver pen - which testifies to the age of the service, perhaps even to the time of its creation. The service is for sale in full; it is not divisible. Delivery by hand or by carrier according to terms to be defined. Many other objects to discover in my stand of the Salons in which I participate.
