Description

Gomez: "Autumn on the Sambre", watercolor 37 X 48 cm, mounted in a pretty carved wooden frame 40 X 51 cm. Circa 1920, slightly insolated and a little warped. The title is given to us by an annotation on the back made visible by a window cut in the cardboard backing. I totally ignore which Gomez it is, not having the first name, but he had no lack of talent to make this autumnal atmosphere animated by two sinners near a boat. Do not hesitate to ask us by email or telephone for additional information or photos. We have many objects and paintings to restore in our shop/capernaum/depot in Pau where I let myself be a little overwhelmed and for which we prefer to sell on site, preferably in batches. Come and help us tidy up by buying! Other photos and many other objects in our shops in Pau and
