

Table Center / Planter In Silver. Germany Around 1900

2 900 EUR

Period : 19th century

Condition : Très bon état

Length : 50 cm

Height : 14,5 cm

Description

Planter / centerpiece with two side handles in silver and its interior in silver metal. The planter is oval in shape slightly flared towards its edge has an eventful design. It rests on four massive roll-up legs with foliage ties. Two main faces are adorned with flowery rocaille cartouches bearing a monogram, grids with branches of rose flowers and surrounded in its lower parts by a frieze of combed rocaille. Interior in silver metal is original, it is equipped with two lifting lugs. German work, circa 1900 800/1000 silver hallmark Length: 50 cm Width: 29 cm Height: 14.5 cm Net weight: 1412 g The set is in very good condition and the silver mount has not undergone any restorations, even minimal ones . The bottom of the silver bronze part bears some traces of welding, which in no way alters the
