Width : 36

Diameter : 26

Height : 60,5

Description

Born in 1842, Gennaro Chiurazzi, created his foundry workshop in Naples. Following him, his sons continued his activity. In reference to ancient Greece and Rome, this late 19th century Pompeian-style bronze depicts a winged child holding a goose under his arm. This group is a basin center or part of a fountain. Very nice patina. Very nice details. Bronze in very good condition. Sculpture attributed to the Chiurazzi Workshop in Naples. Dimensions: - H: 60.5 cm - Ø of the base: 26 cm
