Description

This stunning antique bracket clock is a fine example of luxurious 18th-century European design, combining meticulous craftsmanship with timeless elegance. The clock features an intricately detailed brass dial with Roman numerals in striking enamel and an ornate engraved centerpiece.

The case is crafted from rich ebony wood, accented with gilded bronze mounts, showcasing refined architectural elements such as fluted columns and a domed pediment adorned with an elaborate finial. The base is elegantly supported by gilded bun feet, adding to its stately presence. Perfectly functional, this clock is not just a timepiece but a statement of sophistication and history. Whether displayed on a mantel, console table, or as part of a curated collection, it adds an
