Pair Of Louis XVI Period Vases

18 000 EUR

Period : 18th century

Condition : Très bon état

Diameter : 27 cm

Height : 59 cm

Description

Pair of blue glass vases, mounted in chased and gilded bronze, on a white marble base.

The vases are held in a bronze decoration representing three female figures resting on clogged and leafy feet. Garlands of flowers and fruits link the figures together. Their braided hair forms the handles of the vases.

In the center of the three legs, on a base of palm leaves, a snake ascends a column surmounted by a pine cone.

Louis XVI period

Provenance: Former Suzanne Saperstein collection
