### Description

Impressive 19th century canvas painted by Émile Godchaux. Indeed the dimensions without frame are 1m 46 cm x 81 cm. If we add its original frame in good condition, just a few small gaps, 1m 69 cm x 1m 4 cm. dimensions that make it a very decorative painting, ideal for example for a mountain chalet. Landscape with splendid lights. Emile Godchaux is well listed as a 19th century painter. Seascapes and mountain landscapes are his favorite subjects. the painting has several restorations, see photos. This painting is one of the beautiful works of this artist.
