Description

Decorative plate from the Vallaurian workshop of the Argonauts created by Isabelle Ferlay and Frédérique Bourguet. This plate represents a 3 mates. The workshop "les argonautes" was founded in 1953. Following a manganese poisoning in 1955 Isabelle Ferlay can no longer turn. The workshop therefore begins to make decorative plates like the one we present to you. Artistic representation of the golden age of Vallauris, the city of a hundred potters.
