Description

Made in the Tabriz region around 1970, this rug has rich colors and a pattern that can easily be integrated into a contemporary decoration.

Tied by hand (approximately 150,000 knots per m²) it measures 312 x 201 cm and its realization required a little more than 3 months of work.

It is in very good condition, with a solid weft, uniform thickness, preserved fringes.

A careful examination can distinguish a slightly lighter area over a few cm² (picture 5).

Careful packaging.
