Depth : 65 cms

Description

This chest of drawers is rare for its decoration of vases of flowers and potiches on an entablature, in marquetry of rosewood, rosewood and fruitwood. Very beautiful Parisian manufacture of the Faubourg Saint Antoine in the first half of the 20th century. Opening with three drawers in the upper belt and two large drawers below. Mounted on oak. Royal red marble top, with groove and canted sides. Gilded bronzes for the falls, the keyholes, the falling rings and the clogs. Good original condition. Delivery possible anywhere in France and abroad.
