

Landier De Cheminee _ Louis XVI

380 EUR

Period : 18th century

Condition : Bon état

Length : 530 mm

Height : 530 mm

Depth : 580 mm

Description

This Louis XVI period fireplace landier with an atypical line features two brass medallions. If the set is in very good condition, the medallion on the left is incomplete. This fireplace accessory displays a certain modernity, a simple but remarkable line which gives it the possibility of investing in very contemporary architectures.
Dimensions of the hearth: Depth: 41 cm. H: 26.
