

Partially Enameled Jug Circa 1900

500 EUR

Period : 20th century

Condition : Très bon état

Material : Ceramic

Diameter : 30 cm

Height : 52 cm

Description

Partially glazed ceramic jug in honey brown color from eastern Spain created around 1900. Its uses were many but due to the shape of the mouth one could think that it was created as a container for oils. It is in a magnificent state of conservation except for a small defect on the edge of the mouth.
