1 200 EUR

Period : 18th century

Condition : Bon état

Material : Wood marquetry

Width : 900 mm

Height : 1900 mm

Depth : 520 mm

Description

This rather architectural secretary from Italy is made of walnut wood, a noble essence with tawny hues that gives it a character that is both distinguished and sensual. The flap covered in red leather reveals many drawers and alcoves, which seem to be supported by two charming columns, also red. It is an element of furniture that could integrate a chic country atmosphere, in a house where we would advocate a certain art of living, between sobriety and elegance...
