Period : 20th century

Description

Very beautiful oil on strong paper which represents a farmhouse in Provence with its brilliant blue sky by this artist who has accustomed us to this lively and powerful touch. Painted on the ground with a clear cubist influence, the painter has this time planted his easel in the Provençal countryside and has restored all the luminosity of this land to the point of being dazzled by it. The effect is there! Signed lower left. Dimensions: 28 cm x 22.7 cm (sheet) 16 cm x 12.2 cm (view) Very good condition. The sheet is in its original size (edges not cropped).
